Mansfield Downtown Partnership Invites Town Residents to Update on Storrs Center

January 3, 2012 – The Mansfield Downtown Partnership, together with key Storrs Center team members from the Town of Mansfield and master developer LeylandAlliance and their partner Education Realty Trust (EDR), will hold an update on the Storrs Center downtown project. The update will be held in Room 7 of the Bishop Center (1 Bishop Circle, Storrs) on Wednesday, January 11 at 7:00 pm.

Over the last several months, much progress has been made on Storrs Center including the groundbreaking of Phase 1A in June, construction of the first buildings in Phase 1A and the parking garage, leasing of the residential units, and leasing of commercial spaces. The January 11 information session will provide the opportunity for an update on all critical aspects of this important project.
